To P. Srinivasa Iyengar, Esq., B.A., B.L., Secretary to the Government of Mysore, Education and Industries Department.

SIR,

With reference to your letter No.1502/Muz. dated 28th February 1928 forwarding for disposal the application presented by Ved. ----- Krishnamurti, Swami-designate of the Sri Vedanta Mutha, I have the honour to state that it is proposed by the Deputy Commissioner, Kolar District, that further action in the matter of the selection of the ----- candidate is being taken and that the Sub-Division Officer has been instructed to submit proposals immediately thereafter for consideration the funds available at the credit of the Muzrai Department. The report together with my recommendations will be submitted to Government as soon as it is received in this office.

3. In this connection, I beg to state that it is highly undesirable and unnecessary to defer the selection of the candidate for the education of the Swamiship - pending the land which will be granted and installation of the Pontiff. There is time enough for preliminary arrangements to be completed which will take at least two to three months and meanwhile the Swami-elect can ----- lessons or engage a Pandit. A knowledge of Sanskrit is very essential as the Pontiff has to perform certain religious ceremonies, such as Tarpana, Vaideekam, etc., which require the recitation of Sanskrit Mantrams. Government have already sanctioned Rs.40/- to 50/- a month and a place (^) in the Maharaja's College for the ----- education. The work of selection of the candidate

be supervised by the Deputy Commissioner of the Kolar District pending the appointment of a Committee after the installation is over. The Pandit will be appointed in consultation with the Board of Sanskrit Studies and Examinations in Mysore. The favour of early orders is solicited.

SIR,

In continuation of this office letter C.No.1226/24-25 dated 10th March 1928, in the matter of the appointment of a Pandit to --- teach the Swamiselect of the Sri Avani Matha, I have the honor to -- state that from an adinterim report received from the Deputy Commissioner, Kolar District, it is seen that the 29th April 1928 is said to be suitable to conduct the installation ceremonies and that the Sub Division Officer of Malur is taking further action to verify this from an independent authority. As soon as the Deputy Commissioner's further reply is received a final report will be submitted.

2. As there is much preliminary work to be done in connection - with the initiation and installation ceremonies, and as the local -- officers cannot be expected to pay undivided attention to the matter, it seems to be highly advantageous to associate a few gentlemen of light and leading with the local officers. In this view I beg to recommend that a committee consisting of the following gentlemen -- who are disciples of the matha may be immediately constituted, to -- take all necessary action in connection with the installation and to help the Deputy Commissioner in the supervision of the education and training of the Swamigalu, detailed proposals in respect of -- which will be submitted after the installation ceremonies are over. -
